How to Create a Pairing Code

- Have student log in to Canvas from this link at the 4j website: https://4j.lane.edu/canvas/

- If prompted, Log in with your 4j username and password.

- Once you are in the Canvas dashboard, Navigate to Account - Settings.

- On the right, click on Pair with Observer.

- Write down your pairing code.

- Use the parent code to log in to the parent section of Canvas at https://4j.lane.edu/canvas/
