

Technology Purchasing Instructions

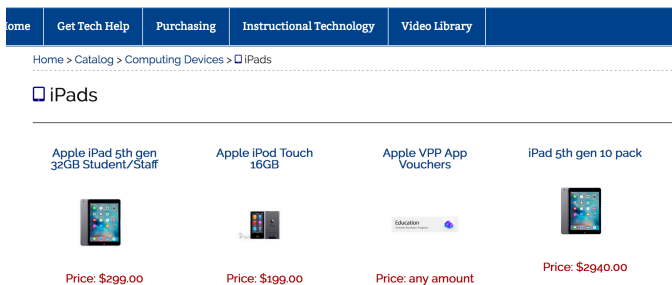

Getting Started

Start with a consultation with your School or Department Tech Support Specialist (TSS). The TSS will be able to help you select the most appropriate equipment for the intended use. To view approved equipment go to: <https://technology.4j.lane.edu/catalog/>

Select the category

Select an item

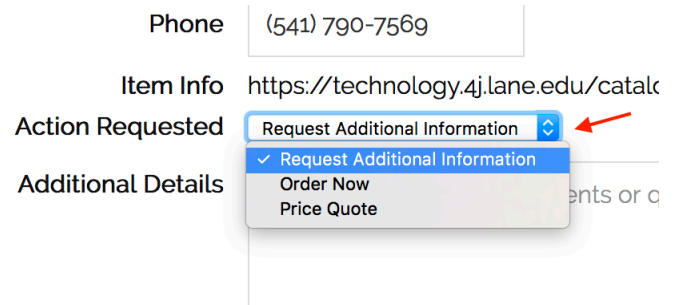

The description and specs will then open for you to review.

Buy or get more information

[Buy or Get More Information](#)

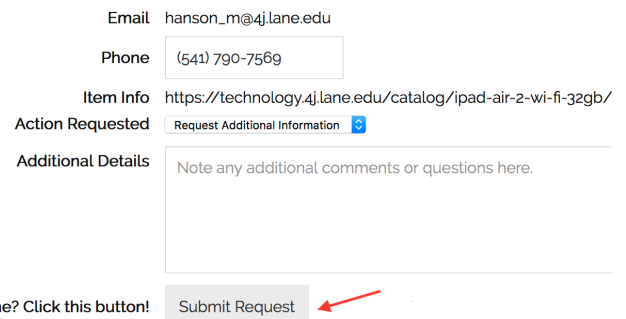

Action Requested:

- Request Additional Information
- Order Now
- Price Quote

When requesting a quote or additional information, please provide as much detail as possible and a link to the item.

Buy or Get More Information

All done? Click this button!

By clicking the submit request button an email will automatically be generated to Tech Purchasing.

If you do not see the item you are looking for select [Want something you don't see here?](#)
